

## Malibu celebrates summer with a sizzle

It was a beautiful sunny day for Malibu's Sizzle into Summer Beach Party on Sunday, June 27th, where previous purchasers, new purchasers of the day, would-be buyers, friends and neighbours gathered together for an afternoon of food, music and fun at the Malibu at Harbourfront Presentation Centre. Over 75 people were there to savour a burger, ice cream and enjoy live California music throughout the afternoon. Surprise draws added to the fun giving guests tickets to Blue Jays games, Argos games, Harbourfront Centre events as well as a host of other entertaining activities all close to Malibu. Even more exciting was the gift of a Trip for Two to Malibu for purchaser, Derek Konecny who bought his Malibu suite last October.

The Malibu at Harbourfront Presentation Centre is located at 600 Fleet Street (at the corner of Bathurst and Lakeshore Blvd.).
