

Enjoy sophisticated look of Kilgour Estate

The sophisticated spaces of Kilgour Estate provided the inspiration needed for interior designer Brian Gluckstein of Gluckstein Design Planning Inc. to create an elegantly styled model suite at this upscale community by The Daniels Corporation.

This 1,560-sq.ft. two-bedroom suite features a neutral but sophisticated colour palette for a design that is already winning wows among the exclusive group of buyers looking to call the community home.

The designer pairs grey engineered hardwood flooring with neutral shades like creams, ivories, chocolate and mossy-gold, introducing a great mix of style through the use of classic pieces and more modern elements. Furniture from Gluckstein's own line is mixed with custom pieces created specifically for the suite.

"We wanted sophistication, we wanted people to see how to successfully create an eclectic space, and to give a sense of richness and luxury," Gluckstein says. "And I think we did it."

With construction well underway, The Daniels Corporation's exclusive community of terraced con-

dominium residences and Georgian-style townhomes has become the city's most sought-after ravine community. Located on 12 acres of property at Bayview south of Lawrence, Kilgour Estate is surrounded by Toronto's most popular neighbourhoods, including Lawrence Park.

A 24 hour concierge and a Building Ambassador will provide a variety of resident services. The exclusive Kilgour Club amenities area includes an Aquatic Centre with indoor pool and whirlpool overlooking a landscaped courtyard, a library

with a stone fireplace and soft lighting, a home theatre with surround sound, a fitness studio, billiard room, club room with private dining room, catering kitchen and more.

Suites offer expansive layouts with beautiful terraces, many of them overlooking the ravine. Georgian-style townhomes also offer a unique lifestyle alternative filled with features chosen to create luxurious living, with private front gardens, portico entrances, second-floor Juliet balconies and third-floor rooftop terraces. A selection of townhome plans also

come with a private elevator.

Kilgour Estate's terrace condominium residences and Georgian-style townhomes are priced from the \$400,000s to more than \$2 million.

For more information, visit the Kilgour Estate sales centre and model suite at 50 Kilgour Rd., east of Bayview, South of Lawrence, call 416-489-7333 or visit their website, www.kilgour-estate.com.

The sales office is open: Monday to Thursday, noon to 6 p.m.; weekends and holidays noon to 5 p.m., closed Fridays.

Daniels offers innovative interiors at its communities, including FirstHome™ Markham.
