While the work crew was busy building, the purchasers were busy brunching

Barclay Grayson recently held a spring brunch for purchasers at The St. Clair to celebrate not only the warming weather, but the fact that construction is well underway at the toni condominium building at Yonge and St. Clair.

11 Fornello hosted the party and provided wonderful food for all the guests. Barclay Grayson is well-known in that area, having accomplished such landmark projects as the beautiful ravine suites of One Avoca and the recent Residences of Russell Hill. Prices at The St. Clair range from \$200,000 to just over \$800,000 with occupancy scheduled for Autumn 2002. (L-R Murray Montgomery, Yim Lee, Sheila Shaw and Barclay Grayson's Chris Lloyd help owner Roberto Granata dish out the delicious pizzas!)
