SPECIAL POINTS OF INTEREST

This is the first issue of **THE-ST-CLAIR** news sheet which we hope to update regularly.

Purchasers are reminded of our referral program where they and the purchaser they refer are each eligible for \$2,500.00 in suite upgrades.

As of August 31, 2001 we have placed 3,774 cubic meters of concrete and 366 tons of reinforcing steel.

Additional photographs of the construction site can be seen in the news section of **THE-ST-CLAIR** web page www.baker-re.com/thestclair.htm.

Finish selection will start at the end of this year. Your colour coordinator will be calling you to set up your personal appointment.

Sales office at
15 DeLisle Avenue,

AT SUMMER'S END

As the long hazy days of summer draw to a close, we hope you enjoyed the season. Perhaps you have been on vacation and have not visited **THE-ST-CLAIR** site recently; great progress has taken place at 10 DeLisle Avenue as you can see from the photograph. Excavation and shoring is complete as are two parking levels. We are pleased to confirm that construction is on schedule! Happily our sales office has enjoyed a busy summer. Sales have been brisk. The opportunity to purchase one of a choice but very limited number of remaining suites is fleeting. Watching this unique project emerge from the ground is an exciting experience for all of us. We will update you from time to time as construction continues on your new home.

SALES STAFF CHANGES

There have been a few changes recently to the Staff at **THE-ST-CLAIR** sales office. Lee Hetherington (right) is still with us and we are delighted to welcome back

Andrea Danyliw (left) who went on sabbatical earlier this year to get married. Our administrator Fares Habre has returned to school as a full time student and we are pleased to welcome Jennifer Liscio (centre) as our new administrator.
